

Quality Policy

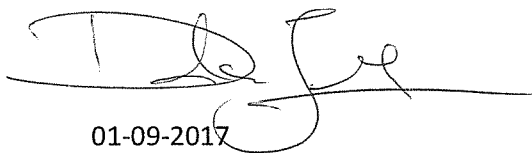

A2B-online is committed to provide a high degree of value by continually improving processes to improve customer satisfaction by focussing on their requirements for logistic services with regards to full load, part load and forwarding.

We are committed to achieve ever-increasing levels of customer satisfaction through continual improvements in the quality of our logistic services. This will be achieved by our total commitment to:

- Deliver cargo to our customers in perfect condition - on time, every time
- Continuous improving our connectivity with IT systems between customers, suppliers and all other relevant stakeholders
- Enhance the expertise of our people by periodic training
- Constant focus on making sure our systems are aligned with the latest technological developments

D. de Jong
Managing Director A2B-online BV
